Pre-cast Offer

“Honey, We’re Rich!”

\$3995.00

Along the banks of Wild Horse Creek
Prospectors came, the gold to seek
Some came proud but most left meek
And very few left rich!

Hilda was Elmer's only friend
Upon each other, they did depend
He scarcely made enough to spend
On cans of pork and beans

This day, along the rocky shore
A place not panned by those before
He struck the mother load for sure
And cried, "honey, we're rich!"

Love is found in the strangest places
Trust as well in many faces
Sad are we if gold replaces
The values of the heart

Reg had great fun and a lot of chuckles while sculpting the fine and funny details of his latest piece, "Honey, We're Rich!" It's a timely piece in spite of the current recession and in light of it...

It's recently been taken to our foundry to be cast into bronze. We are making this pre-cast offer available to all of our customers until October 1st when the casting will be complete. At that time, the price will immediately raise to \$5900.00 ~ a savings of \$1905.00!

"Honey, You're Rich" is a limited edition of 40, and the finished size is 14"L x 14"W x 13"H. It will be set on granite with a turntable to view from every side. A deposit is required to confirm any order, and we offer 3-6 month interest free payment plans. Every purchase helps us to cover the initial mould making costs, and the savings are remarkable!

Guaranteed to bring a smile, and a great piece for any home or office..And then there's always Christmas...Let us know if Elmer and Hilda tickle your funny bone!
